PROFILE

Dedicated and detail-oriented third year Marine Science student at Universitas Padjadjaran with a strong foundation in marine ecology, hydro-oceanography, and environmental research. Skilled in data analysis, laboratory techniques, statistical analysis, reporting. Knowledgeable in marine resource management, environmental regulations, and sustainable ocean governance. Strong problem-solving, teamwork, and communication skills, with hands-on experience in research and fieldwork. Seeking an internship or research opportunity to apply knowledge and contribute to marine science initiatives.
