PROFILE

I'm a Marine Science Fresh Graduate at Universitas Padjajaran, passionate about environmental sustainability and climate change with experience in marine oceanography and conservation research. Seeking a Program and Research Intern position to gain exposure to new challenges. Skilled in data management, experimental design, statistical analysis, and field research. Highly detail oriented, eager to learn, communication, and experience in environmental policy impact assessment.

Area of Interest : Marine Science; Oceanography, Environmental Sustainability

EDUCATION

Universitas Padjajaran 2022 – 2025

Bachelor's Degree in Marine Science (GPA : 3,61)

- Most Outstanding Students of FPIK Unpad 2025
- Valedictorian Student of 2022 Marine Science Department

Institut Teknologi Bandung Sep 2024 – Jan 2025

Student Exchange – Oceanography (GPA : 3,74)

- I am taking over 17 SKS at Institut Teknologi Bandung, specializing in Climate Change in Coastal.
- Following over 4 Field research taking data for water quality at Sukabumi and Lampung.

National University Of Singapore Juni 2025 – Aug 2025

Young Fellowship Program

- I am taking 5 day abroad for fellowship program in Gen AI Focus Study
- Following over 10 Lecture about Gen Ai and 5 Environment lab visit

WORK EXPERIENCES

JACK DON'T SWIM

Research Assistant of Noir Primadona Purba Jan 2026 – Mei 2025

- Conduct research idea and creation focusing on Oceanography
- Document research and prepare reports on findings, methods, and conclusions.
- Focus on computer programming of innovation tool

NATIONAL RESEARCH AND INNOVATION AGENCY RI – CLIMATE AND ATMOSPHERE

MBKM Research Intern – Ir. Suaydhi, M.Sc Feb 2025 – Juli 2025

- Support research on climate change and disaster mitigation.
- Manage data on rain fall and upwelling for disaster mitigation in west java.
- Develop environment solutions for climate change.
- Monitor west java indication for flood mitigation at west java.

TORGAS

Research Assistant of TORALAB – Dr. Buntora Pasaribu, PhD Sep 2022 – Jan 2024

- Conduct gas conversion experiments, following lab protocols and safety procedures.
- Document research and prepare reports on findings, methods, and conclusions.
- Recognized as one of the Indonesia's 115 best innovations, highlighting research impact.

ORGANIZATIONAL EXPERIENCE

STUDENT EXECUTIVE BOARD FPIK UNPAD

Chairperson Jan 2025 - Present

- Directed and guided the organization, ensuring that the team was aligned with the goals.
- Collaborated with staff to create and implement BEM's strategic plan.
- Fostered strong relationships with faculty staff, university administration, and external partners.

Himpunan Mahasiswa Ilmu Kelautan UNPAD

Head of Internal Division Jan 2024 – Dec 2024

- Managed a team of ± 40 staff, including 6 department heads and vice heads.
- Oversaw 3 key departments : Cadre Formation, Member Welfare, and Science & Profession.
- Led strategic vision to align departments with organizational goals.

- Introduced innovative HR systems, enhanced member engagement, and improved organizational effectiveness.

BEM Kema UNPAD

Staff of KPSDM

Feb 2024 – Apr 2024

- Participated in the recruitment process for new members of BEM Kema UNPAD.
- Coordinated training programs designed to enhance the organizational skills of BEM members.
- Assisted in planning and coordinating programs and events for KPSDM divisions.

COMMITTEE & VOLUNTEERING EXPERIENCES

PRABU UNPAD 2024

Project Supervisor

Mar 2024 – Aug 2024

- Managed the new student intake program for 8.000 students.
- Led 900 staff members in planning, coordinating, and executing the program.
- Ensured a smooth and efficient onboarding experience for all participants.

POLBIN FPIK 2024

Vice Project Officer

Aug 2023 – Dec 2023

- Led ± 100 staff to organize orientation for the incoming 2023 class.
- Introduced innovative enhancements to the program agenda.
- Ensured a welcoming and informative experience for new students.

ACADEMIC COMPETITIONS & ACHIEVEMENTS

1st Place Paper Competition International Journal Of Oil Palm | July 2025

1st Place Paper Competition LKTIN SPEAR MSC UNIVERSITAS JEMBER | Oktober 2025

1st Place Paper Competition Siaga Award organized by SPMKB-UII

2nd Place International Student Competition Universitas Mataram | September 2025

3rd Place Paper Competition Sampan Marine Competition ITS SURABAYA | September 2025

3rd Place Student Competition - 2nd Indonesia Seas: Catalysts for Ocean Sustainability (ISCO) 2024 | September 2024

4rd Place Paper Competition 63rd anniversary of Seskoal held by the Indonesian Navy Staff and Command School Pusjianmar | November 2025
